Pune, India | iamsaranselva@gmail.com | +91 93630 36113 | [LinkedIn](#) |

PROFILE

Rotoscoping and compositing artist trained through DY Patil School of Design's VFX programme, with hands-on plate work in paint prep, wire removal and frame clean-up. Comfortable working across a Nuke and Silhouette-based pipeline, with a graphic design background that carries into frame-accurate, detail-first output on every shot.

SKILLS

Core VFX Skills

- Rotoscoping & matte creation
- Paint prep & wire removal
- Green-screen compositing
- Multi-pass CG integration
- Nuke · Silhouette
- Maya · Blender
- Photoshop · Illustrator
- After Effects · Premiere Pro

Strong grounding in colour theory, typography and frame composition from a graphic design background, which translates into cleaner keys, steadier tracking and more consistent paint-outs.
