

Saran Selvakumar

Professional Summary

Detail-oriented and passionate VFX artist with foundational experience in rotoscoping, paint prep, and compositing workflows. Skilled in creating clean visual outputs, maintaining frame consistency, and working with industry-standard VFX pipelines. Focused on developing high-quality visual results with strong attention to detail and efficiency.

Education

D Y Patil School of Design, Pune
Bachelor's Degree in Applied Arts and Crafts
(Graphics, Animation & VFX)

June 2026

Experience

Arusi Home - Graphic Designer Intern

June 2025 – August 2025

- Worked on creative assets and visual content for digital platforms.
- Assisted in maintaining visual consistency across branding materials.
- Collaborated with team members to complete assigned creative tasks within deadlines.

Skills

- **Rotoscoping** – Creating precise masks and mattes for character and object isolation in VFX shots.
- **Paint Prep** – Removing unwanted objects, wires, markers, and imperfections while maintaining clean frame consistency.
- **Compositing** – Combining multiple visual elements, effects, and layers into seamless final shots using industry-standard workflows.

Projects

Personal Showreel Website

- Developed a portfolio website to showcase creative and VFX-related work.
- Focused on clean presentation, visual structure, and accessibility.
